

OPEN STREETS CORVALLIS connects neighbors and neighborhoods through active transportation and creates spaces where people want to walk, bike and play.

- a **one mile route of city streets free of motorized traffic with 3 activity hubs** along the route.
 - Lilly Park
 - Tunison Park
 - Lincoln Health Clinic Parking Lot
- Families and children can **walk, bike and roll** in the streets.
- Lilly and Tunison parks have **activities, games, entertainment and food**. Lincoln Health Clinic hosts First Aid (Benton County CERT), Pedal Corvallis (bikeshare) and the Flanger/Velocopter.
- More than 100 **volunteers** make Open Streets possible. Thank you!

ALL VOLUNTEERS:

- **Help all neighbors** affected by the closed roads – we want to be invited back!
- **Help Open Streets attendees** stay safe and on the route.
- **Be a kind and cheerful ambassador** for Open Streets to everyone at all times.
- **Call for assistance** from the Event Coordinator or the Route Coordinator, if needed. Contact information will be given to you when you check in for your shift.
- **Must wear your grey Open Streets Volunteer t-shirt during your shift.** Since you look official, people will think you have all the answers. Do your best - it's okay if you don't know! Use the contact numbers on your Event Contact Sheet, if needed. Planning team members will be wearing blue Open Streets capes - stop one of us for help, too.

WHAT TO EXPECT:

- **Arrive 10-15 minutes early** and check in at the Volunteer Tent on the north side

of Viewmont between 99W and Thompson. Expect to work until the end of your shift.

- Pick up your t-shirt and Event Staff Contact Sheet.

- Sign a volunteer waiver.
- Pick up gear: stop paddles, vests, mini-first aid kits, items appropriate for your job, etc.
- **Snacks and water** will be available during your shift.
- **Restrooms** are located at Lilly Park and Tunison Park.

WHAT TO BRING:

- A reusable **water bottle**.
- Dress for the weather – **layers, hat, sunscreen**.
- **Comfortable shoes**.
- **Extra food, or money** to buy from food carts and local businesses.
- Bring a chair if you'd like to sit.

INTERSECTION SUPERHEROES

Road Closure is from 9am to 5 pm.

Event Hours are 12 pm to 4 pm.

Roads re-open at 5 pm.

- **Roads are not closed to neighbors who live on the route**, but are closed to all others.
- **Neighbors are allowed to drive on the route (at a walking speed)** if they are going directly to or from their homes.
- Drivers are **not allowed to travel multiple blocks** on the route. They must turn at the first available intersection.
- All **cars moving on the route must be escorted** by an Open Streets volunteer at all times.
- Drivers who want to leave their driveway or street are **helped by an Intersection Superhero** to get to the nearest intersection and safely off the route.

Cars may cross the route at starred intersections only. Professionals will direct traffic at these corners.

- 99W & Tunison
- 99W & Viewmont

- Between 9 am and 11:30 am, traffic will be allowed to turn on/from Tunison/Viewmont/99W. Intersection Superheroes will escort cars to/from their homes.
- After 11:30 am through 4:30 pm, motor vehicles may drive north or south on 99W, but **may not turn west on Tunison or east on Viewmont**. Drivers should use the detour route below to reach Tunison or Viewmont . . . even if they live on those streets. They have been notified multiple times of this temporary change.

- Neighbors are a top priority! Let them into or out of their homes – BE KIND & COURTEOUS!
- When you let a car onto the route – they are your responsibility. LEAVE NO CAR UNATTENDED! Walk them to the next volunteer or their home.
- If you feel unsafe or uncomfortable letting someone on the route – call the Event Coordinator or Route Coordinator.

Barricades/cones go up at every closed intersection. They prevent cars from driving on or through the route. When neighbors need to get to or from their house, volunteers move the barricades/cones.

WATER TEAM (REHYDRATORS)

Ride around the route and refill Intersection Superheroes' water bottles. You will need a trailer, large basket or a cargo bike to accommodate the water bucket. Refill water coolers at the Info Tents in Lilly Park, Tunison Park, First Aid at Lincoln Health Center, and National Federation for the Blind (Lilly Park). WATER ACCESS IS AT THE TUNISON PARK WATER FOUNTAIN. It will be fitted with a special spigot called a quick coupler; there will be a barricade over it. (We can move it.)

BEER GARDEN MONITORS

- Make sure no one leaves the fenced area with alcohol. 21+ will have wristbands. Alcohol servers will check IDs. **You are not required to check identifications.**
- Take turns walking through the fenced beer garden to make sure only people with wristbands have alcohol.

- Minors are allowed in the beer garden (but they may not drink).
- For ten minutes the bottom of every hour during your shift (ex. 12:30-12:40 pm), please count and record the number of people in the food court. You will be given a sheet to record this information.
- If you need assistance, check in with the alcohol servers first then call the Event Coordinator, if needed.

MISSING CHILD PROTOCOL

Child missing their parent or guardian:

- **Calm the child.** Bring her/him to your corner of the road (if you're an Intersection Superhero).
- Do not leave your post. Try to **help identify parents in the crowd.** Ask if s/he knows a parent's phone number.
- If you can't find the parent in a few minutes, **call the Event Coordinator, Route Coordinator, or Volunteer Coordinator.**
- **NOTE: Do not give the child food or drink** (other than water) in case she/he has allergies.

Parent or guardian missing their child:

- Calm the parent, let them know of our protocol and that we will have all our staff and volunteers looking shortly.
- Get a photo (from that day is best) a description of the child, what they look like, age, what they're wearing, etc. will be helpful so staff and volunteers can be dispatched to search for the child
- **Call the Event Coordinator** and say that there is a lost child.
- **Call 911** or have the parents call 911, if necessary.

IF THERE IS AN ACCIDENT:

- **Clear area of participants** and evaluate the situation.
- **In an emergency, immediately call 911.** Then call the Event Coordinator.
- **Share Band-Aids and non-latex gloves** from your supplies bag, if needed.
- **First Aid (Benton County CERT) is located on Viewmont** in Lincoln Health Clinic.

**QUESTIONS? EMAIL VOLUNTEER.COORDINATOR@CORVALLISBIKES.ORG
THANK YOU FOR MAKING OPEN STREETS POSSIBLE!**
